AGREEMENT

Between

CITY OF FORT WAYNE, INDIANA

And

THE FORT WAYNE PROFESSIONAL
FIRE FIGHTERS UNION, LOCAL 124

1. The Union agrees to maintain a manpower level of sixty (60) firefighters per shift in the Combat Division (A,B,C), at a projected level of two hundred twenty-five (225) in the Combat Division. The Union will not provide this voluntary coverage for Combat personnel on light duty or off on compensatory time.
2. This guarantee will be in effect for two (2) years or such shorter period, if manning requirements are either reduced or increased in the Combat Division.
3. The Union agrees to maintain this manpower level on a voluntary basis, in a manner determined by the Union at no cost to the City. The Chief or his designee will make the request to the Union when additional personnel are needed. Failure to provide the necessary manning levels will be considered a violation of this Agreement and will be dealt with in the same fashion as failure to report for a regularly assigned shift.

In consideration of the above conditions agreed to by the Union, which allows the City to provide the same basic protection with no significant increase in manpower for the life of this Agreement, the City offers the following:

1. A three percent (3%) across the board increase on current salaries for the year of 1983.
2. For the year of 1984, a five percent (5%) across the board increase, plus an increase in clothing allowance of \$175, making a total clothing allowance for the year 1984 of \$675.
3. All other economic factors currently in existence shall remain the same.

Re: Bill NO. S-82-10-04
An Ordinance further fixing and establishing the
salaries of fire fighters of the Fort Wayne Fire
Department.

Dear Mr. Westerman:

There was some confusion before with regards to the above Ordinance. I have spoken to several members of the Common Council who have indicated that they would just as soon not have the Ordinance withdrawn.

Accordingly, please disregard my previous communication to your office of October 20, 1982.

Thank you for your attention and cooperation.

Sincerely,

Bruce O. Boxberger

Re: Special Ordinance No. S-82-10-04

Dear Mr. Westerman:

Previously, I submitted the above noted Ordinance. This Ordinance was inadvertently submitted by me and I request that it be withdrawn at this time.

The utilization of an Ordinance in unnecessary and is contrary to past procedures followed with other Public Safety Unions, such as the P.B.A. and F.O.P. Sufficient back-up information, as is the past practice, will be supplied to the Common Council, but as stated herein, an Ordinance is unnecessary and therefore, would you please withdraw same.

That you for your help and cooperation.

Sincerely,

Bruce O. Boxberger
